The mission of the Public Employees Federation Official Facebook page is to involve as many PEF members as possible and to provide up-to-date union news.

You all have friends who are PEF members and the official PEF fan page needs those members! Please 'like' our fan page and encourage other PEF members to do the same. We need all the 'friends' we can get to spread important union information.

Thanks!!!

The PEF Facebook Team — Your “friends” Darcy and Paul
