SOB Meeting Report

- **Website** - Matt Biswanger said they are putting together a website. It's going to need Brian's approval before it can be up and running. Matt asked if the Labor Management Committee would want representatives of CSEA to work with PEF on the website – Chris will talk to Brian and Tim. Question came up if the committee would want to put grievance procedures on the website – like Region 7 does. Chris asked for the suggestion box on the website - would the Labor Management Committee like a general one and a Labor Management one and the committee agreed on just 1 suggestion box – Jonathan will check with Brian.
- **PINKS** – does the Labor Management Committee think the PINKS would benefit on the Labor Management website? Discussed having a Region 6 news clipping link on the Intradot - having the news clippings be separate from the PINKS. The committee wants permission to change that – Matt will get with Brian on it.
- **Name change** – Matt noted the name change from State Office Building Meeting Subcommittee to Labor Management Initiatives Subcommittee.

Health & Safety – Kathy Button talked about their quarterly mtg they had on May 17th – talked about Ergonomic assessments. Kathy went to a Health & Safety Conference and the links to that are on the PEF website. Health & Safety Subcommittee would like to have a health fair – nothing scheduled.

Employee Morale – 2 PEF representatives met with the Commissioner on Friday, June 10th and the Commissioner said there is no layoff program yet as of Friday, June 10th. Chris Giles asked what the latest on the contract is and Andrew Puleo said just what we have read in the newspaper.

Sage Commission – Matt Biswanger said they don't know anything about it yet.
